Correction: Harnessing male germline epigenomics for the genetic improvement in cattle

Xiao Wang^{1,2,3†}, Wenlong Li^{1†}, Xia Feng¹, Jianbin Li³, George E. Liu⁴, Lingzhao Fang^{5*} and Ying Yu^{1*}

Correction: J Anim Sci Biotechnol 14, 76 (2023) https://doi.org/10.1186/s40104-023-00874-9

Following publication of the original article [1], the authors reported a typo in the author's name and a typo in Fig. 1.

The author's name "Jianbin Li" was mistakenly typed as "Jianbing Li" and has been corrected.

The word "demen" in Fig. 1C should be changed to "semen".

[†]Xiao Wang and Wenlong Li are equally contributed to this work.

The original article can be found online at https://doi.org/10.1186/s40104-023-00874-9.

Ready to submit your research? Choose BMC and benefit from:

- fast, convenient online submission
- thorough peer review by experienced researchers in your field
- rapid publication on acceptance
- support for research data, including large and complex data types
- gold Open Access which fosters wider collaboration and increased citations
- maximum visibility for your research: over 100M website views per year

At BMC, research is always in progress.
